Who We Are

Wide Open Children's Theatre was founded in Saskatoon by two professional theatre artists in 2001. We are proud to perform professional, high-quality entertainment for schools and communities throughout Saskatchewan and Alberta for the past 18 years.

★★★★★
"More than a hunch you'll love Munsch. Now is a presentation of children's stories by Robert Munsch like a rock concert? I'll bet that by the end of this well-constructed hour, Mom and Dad are having as much fun as their kids." *The Edmonton Sun*

ALL NEW SHOW!

Wide Open is proud to present this all new work by AaronMarie Nepoose.

Aaron is an emerging indigenous playwright working with Wide Open in their TYA playwright mentorship program that aims to introduce writers to the joys of puppetry and theatre for young audiences while creating high caliber shows for families.

Piyisiw Iskewes is based on a traditional Cree story and features some Cree language in Y dialect.

"...their performances continue to be fresh and entertaining for students and staff alike. The Wide Open performance continues to be a highlight of the school year."
